Short Bio:

Natori Blue is small-town raised, University of Texas-degreed, veteran school teacher...who sings a little. A singer-songwriter and band leader from Austin, TX, whose original compositions have landed her on stage with greats such as William McDowell, Jonathan McReynolds, and Kirk Franklin. Natori knows first-hand that great gifts demand attention. She knows even better though, that the attention is always for the gift-giver, so as what's been planted inside of her continues to captivate the hearts of many, she continues to re-direct them to her everlasting point of captivation: Jesus Christ, the one true savior and king. -Gracefully engaging them, and ultimately leading them to the life-changer.
